

REMARKS

Applicant appreciates the time taken by the Examiner to review Applicant's present application. Applicant has submitted a continuation application claiming benefit of the present case and responding to the Examiner's objections.

STATEMENT OF SUBSTANCE OF INTERVIEW

On June 10, 2004, Examiner Edleman and John Adair, representative for the Applicants, discussed Claims 61, 65 and 71 of the present invention. Mr. Adair and Examiner Edleman discussed potential language to overcome several objections with respect to antecedent basis. Examiner Edleman, however, requested a written response to the office action with respect the rejection of Claim 71. No specific agreements with respect to Claim language were met.

Respectfully submitted,
